Transfer of certain Health Officers

Serial No:

Letter no. C 35 dated 12.1.37 from the Director of Health submitting proposals regarding the transfers of certain Health Officers. (Consequent on the retirement of Dr. C. Natarajan from the P.H.D.)

~~[illegible with reference to proposed Health Officer, Bangalore City]~~

On a previous occasion, when Mr Dominick was posted as Health Officer, city Municipality Bangalore the Bangalore Mu. Council protested against this appointment being made without consulting them. On that score it is proposed to amend the City Municipal Regulation re the appointment of Health officers & others in the local Bodies. A bill to amend the Reg. on has been framed and the provisions of the draft bill have been approved by His Highness The general principles of the bill will be placed at the next session of the L.A. in June 1937. In the meantime it is for consideration whether the posting of a new officer to the City Municipality need be Communicated to the Municipal Com Bangalore, before hand

2) Mr Srinivasa Reidpet, Health Officer, Mysore who is now proposed to be transferred to the Bangalore City Municipality, is also Lecturer in Hygiene in the Medical College. For this place the Director proposes Mr. S. Seshagiri Rao

Health Offier, Mysore city. On the last occasion when Mr Srinivasa Peddpet was transferred from the Municipal city Charge to the Dt Charge, the University has Complained that they were not Consulted. The Director does not say whether he has Consulted the University or not about his present proposal. It is for orders whether the University has to be Consulted in this matter P. H. 3

3) Dr C. V. Nalarajan is also Lecturer in Medical Jurisprudence, in the Medical School, Bangalore. There is no proposal as to who shall Succeed him Dr Nalarajan as Lecturer in the Medical School. It is also for orders whether University may not be Consulted in the matter H. J.

4) The ~~for~~ Director of Health has sent its proposals for transfer of Offices in Consequence of the decision to shift Mr C. V. Nalarajan from the P. H. S

5) These involve a change in the incumbents of

(i) Health Officer, Bangalore City

(ii) Lecturer in ~~Hyg~~ Hygiene, Mysore Med. College

Obs: (i), the point for consideration is whether the Bangalore City Municipality need be consulted. On previous occasions, they have protested against the Health Offices being changed without

Consulting them. In a letter[x] d. 3-7-30, Govt. have promised that: "in future such changes, when necessary, will be made after informing the Municipal Council." (The question of amending the law so as to obviate the need for Consulting them is separately under consideration The Mcl Council may not however object to the present proposal as Mr Srinivas Peidpett has on a previous occasion (1921-24) served in Bangalore City, and his pay is less than that of Mr Dominick. Anyhow the Municipality seem to be entitled to be informed before-hand.

(6) The other proposal about change in the lectureship in Hygiene affects the University. Reference is invited to their letter[x] d. 15.11.34. As stated by them the Health Officer, Mysore City is to be Lecturer in Hygiene according to G.O.[x] d. 16.6.30. & Mr. Peidpett. who was

The present proposal of the Director is to take this opportunity to avoid a touring executive officer being placed in charge of Teaching work and revert to the general order ~~~~ according to which the City Health officer is to be the Lecturer. Further Dr S. Seshagiri Rao is a "B.Sc, M.B.B.S, D.P.H", while Dr. G.N. Seshadri (proposed for Hygiene Dr) is "L.M.S. D.P.H.". It is for orders if the University need be informed of the change before giving effect to it.

SIR,

With reference to Government Notification No.1944/C.B. 121-36-2 dated 10th February 1937, transferring Dr. C. V. Natarajan from the Public Health Institute to Mysore District, Dr. Srinivasa Peidpet to Bangalore City Municipality and Dr. Dominick to Public Health Institute, I have the honour to inform that cholera has been prevailing for some time in Mysore District and it is likely that the epidemic will not subside soon. As an Officer who has been in charge of the District and who has started the control work in the District will be more useful in the present epidemic, I request that you may be so good as to permit the transfer order to be kept in abeyance until the epidemic subsides in Mysore District so that the Officers may not be disturbed from their respective Districts.

D.O. letter No. L.6927 dated 11th March 1936 from the Chief Secretary to Government to the President, City Municipal Council, Bangalore.

*****

With reference to your D.O. letter dated the 4th March 1936 requesting that, under the circumstances explained, the orders of transfer of the Health Officer, Bangalore City Municipality, be kept in abeyance and that the procedure prescribed in Section 234 of the City Municipalities Regulation may be followed with regard to the transfer, I am desired to state that the question of transferring Mr. T. Chandrasekharaiya to another charge and of posting Mr. M. Ramachandra Rao as Health Officer, Bangalore City was referred to in this officer letter to the Municipal Commissioner No. G.5283 dated the 24th December 1935. In view of the representations made in person by yourself and the Commissioner, the possibility of retaining Mr. Chandrasekharaiya at Bangalore was examined again, but it was found that his transfer to Closepet was unavoidable. In the circumstances, the next best thing seemed to be to post Mr. Dominick, who is an experienced and senior officer of the Department, as Health Officer Bangalore. The proposed arrangements were communicated to the Municipal Commissioner before hand in this office letter No. 6372 dated 14th February 1936, in pursuance of the procedure laid down in letter No. L. 102/Ml. 2/29/96 dated the 3rd July 1930. It is not understood what difficulty the Municipal Council can have in giving effect to these arrangements.

Letter No. L.102/Ml. 2-29-96 dated 3rd July 1930 from the General Secretary to Government to the Municipal Commissioner, Bangalore City Municipality through the President, City Municipal Council, Bangalore.

*****

With reference to your letter No. G. To. 249 dated the 5/7th May 1930, forwarding two resolutions of the Municipal Council dated the 19th April 1930 to the effect (1) that the Municipal Council regrets that Mr. B. Thirumalachar should have been transferred from the Bangalore City Municipality without the knowledge of the Council and (2) that the Municipal Council requests the Government to consult them before effecting such transfers, I am directed to state that in future, such changes, when necessary, will be made, after informing the Municipal Council.

Immediate & Confidential.

Orders are under issue separately on your report regarding the irregularities in the Public Health Institute. It is proposed that Dr. C. V. Natarajan should be reduced to the Second Class of Health Officers for a period of one year on the maximum pay of that class viz., Rs.350/- and that he should be transferred from the Public Health Institute

I am to request you to kindly favour Government immediately with your proposals in regard to the consequential postings.

With the permission of the House the following urgent subject was taken up for consideration :-

Letter No. 1831/C.B. dated 27th January 1937 from the General Secretary to Government proposing to transfer Mr. G. M. Dominick, Health Officer and posting Mr. M.G.Srenivasa Peidpet in his place.

After some discussion on the subject, Mr. C.N.Narasinga Rao

moved the following proposition :-

" With reference to the letter from Government proposing to post Mr. Peidpet as Health Officer of the City and transferring Dr. Dominick, this Council wishes to urge on the attention of the Government that a panel of names be suggested to the Municipal Council out of which the Council may appoint one, subject to the approval of Government.

That further it be urged that such frequent transfers of Health Officers are not in the best interests of the City and that the officer appointed by the Council be kept on for at least 3 years."

Mr. P. M. Rama Sarma moved an amendment that the latter portion of the proposition namely, " and that the officer appointed by the Council be kept on for at least 3 years " be deleted.

The mover agreed. The proposition as amended was put to vote and carried unanimously.

The Municipal Commissioner,
Bangalore City Municipal Council,
Bangalore.

(Through the President, B.City Ml.Cl).

Sir,

Subject.- Proposed transfer of Mr. M.G.Srinivasa Peidpet, as Health Officer, Bangalore City Municipal Council.

I am directed to acknowledge the receipt of your letter No.A_5.1742 dated 2nd February 1937 forwarding a resolution passed by the Municipal Council at their meeting held on the 30th January 1937 urging that a panel of names may be suggested to the Municipal Council out of which the Council may appoint one as Health Officer subject to the approval of Government. In regard to the procedure suggested by the Municipal Council, I am to invite attention to Government letter No.L.7654/Ml.203-35-4 dated 7th April 1936.

As the services of Mr. Dominick are urgently required in the Health Department Government regret that his reversion to the Department cannot be postponed. In his place Government ~~have~~ selected Mr. M.G. Srinivasa Peidpet who is a senior officer with experience of health work in both the City Municipalities, and the proposed arrangement was communicated to the Municipal Commissioner beforehand in pursuance of the procedure intimated in Government letter No.L.102/Ml.2-29-9 dated 3rd July 1930.

7 H.

Orders posting Mr.Srinivasa Peidpet are accordingly under issue.

the view of the Municipal Council that frequent transfers of Health Officers are not desirable and to assure the Council that the transfers are only made when they are found to be unavoidable.

I have, etc.,

Subject No.4. Letter No. 1943/121-36-1 dated 10th February 1937 from the General Secretary to Government in the matter of the transfer of Dr. G.M.Domnick, Health Officer and stating that the Government endorse the view of the Council that frequent transfers of Health Officers are not desirable and assuring the Council that the transfers are only made when they are found to be unavoidable.

Mr. C.N.Narasinga Rao, stating that the letter of Government did not concede the principle that the Council was competent to appoint its own Health Officer, moved the following proposition.

That while thanking Government for the assurance given in their letter, this Council regrets that the letter of Government does not concede the principle that the appointment of the Health Officer lies with the Council and Government should not appoint such officers themselves.

P.T.O

The Council therefore reiterates its previous resolutions and requests Government to send a panel of names as suggested

Mr. K.T.Bhashyam Iyengar seconded the proposition and it was unanimously passed.
